

SKYWARN REPORTING REVIEW

If you haven't attended a spotter training session in the past 5 years, please try to attend in 2017 as our reporting criteria have changed.

PLEASE REPORT:

Wind Damage

Wind Gusts of 50 mph or more if measured

Hail the size of dimes or larger

8" of water or more flowing across a road

Roads closed due to flooding

Flooding inside of buildings

Rain of 0.50" in < 1 hour (immediate report only)

Tornadoes

Funnel Clouds

Snow covered roads and its depth

DO NOT REPORT:

Wind gusts < 50 mph

Hail smaller than dimes

Light rain

Any rain amounts the next day

Lightning

"It's snowing!"
